2. Normally a.s.Co. is supposed to give 24 hours supply and when any S Co. desires to give restricted supply, this can be done only after Govt has issued executive orders permitting the licensee to give restricted supply. The action of the Kanara El. S. Co. Ltd. in restricting the hours of supply (7 hours per day) without orders of Govt. is irregular. Before taking further action in the matter the El. Engr. may see U.O. for remarks.

Sir,

Re: extention in the hours of supply --------

Some Consumers have pressed the Company, to extend the hours of supply from 3-0 P.M. to 6-0 P.m.,only on Sundays and on New Moon days, on account of Matinee shows and for other domestic purposes. As this demand is genuine the Company has to concede to the wishes ofthe Consumer, and therefore have decided to extend the hours of working in the interest of the public. Accordingly we request you to approve of this extension and oblize.

The usual working hours of the Power House are from 6-0 P.M. to 6-30 A.M. next day.

Yours faithfully,

Secretary

Sir,

Subject:- Extention of hours of Supply ... ...

Our present hours of supply are from 6-0 p.m. to 6-30 A.M. In addition to this the Powerhouse supplies energy on Sundays and New-moon days from 3-0 p.m. to 6-0 p.m. The Cinema consumers in the area of supply need electrical energy for holding Matinee performances on other days of the week too occassionally. We propose to give them supply between 3-0 p.m. and 6-0 p.m., whenever they ask for it. This is necessary for the both in the interest of the Company and the Cinemas too. You will thus observe that there would be no interference ~~xxxxxxx~~ in supply of energy to the General public in the fixed hours of supply. If there are any objections to this , they may please be intimated at an early date.

Yours faithfully
